BRUCE B.B. BILEK

Professeur d'Education Artistique dans un Collège de l'Ohio, Bruce B.B. Bilek réalise une oeuvre personnelle dont les compositions colorées sont toujours soulignées d'un graphisme précis. Une impression de stabilité, d'équilibre est donnée par des associations de couleurs acryliques contrastées qui deviennent autant d'éléments décoratifs à base géométrique, bien faits pour s'intégrer dans une architecture moderne.

PRESENT POSITION:

Assistant Professor of Art Cuyahoga Community College Eastern Campus
Art Club Faculty Advisor--CCC Eastern Campus; Acting as Co-ordinator/discipline/departmant head
unofficially. (At this point in time there are no leadership role designations among faculty

in any teaching discipline. I am the only full time instructor with four part-time people working in my area. I think some of the implied responsibilities are evident from this statement. Leadership roles for our campus are currently under development; hopefully; sometime before the beginning of our forth coming academic year 1974-75, these designations will have been made.)

1975 Commissioned by Irvin & Co. to paint 12' x 14' painting for the Diamond Shamrock Co.'s 20th floor lobby.
